What Does the County Tax Increase Mean to Me?*

First, find Your Property Value Assessment at www.lackawannacounty.org then insert it in the example below:

Your Current Property Assessment:	$7,000.00
Your Current County Tax Bill:	$279.99
Increase in Your County Tax Bill:	$105.01
How Much Additional Do I Need to Save per Month:	$8.75

*This calculation is only an estimate of your annual county taxes due based on the assessed property value that you insert and should NOT be relied upon when paying your taxes. You should pay the taxes, which are included in the tax bill or bills that you receive. This estimate does not include your annual school taxes or your annual municipal taxes.
