

## **2<sup>nd</sup> Annual Commissioners' Blood Drive**

**Scranton, PA-**Will you rise to the challenge? The Lackawanna County Commissioners and the American Red Cross will be holding the 2<sup>nd</sup> Annual Commissioners Blood Drive: Lackawanna County vs. Luzerne County Challenge on Wednesday, September 7, 2005 from 10:00 a.m. - 4:00 p.m. on the 1<sup>st</sup> floor of the Lackawanna County Administration Building located at 200 Adams Avenue in downtown Scranton.

Commissioner A.J. Munchak, a passionate supporter of the American Red Cross and a regular donor, is asking the citizen of Lackawanna County to roll up their sleeves and go pint for pint against Luzerne County in support of this most important cause.

The complete donation process only takes an hour, and consists of sign-in, a mini physical exam, the actual donation and the recovery period. Appointments will be available every 15 minutes and the participation of the general public is welcomed and appreciated.

The winner of this lighthearted competition will be determined by the number of 'good' pint collected per county, and will receive an official trophy that is to be presented at the next Commissioners' meeting. Luzerene County won last years challenge with 135 pints to Lackawanna with 116 pints.
