DISCUSSION ITEMS

- a) **Bid Opening – 419 East Market Street, Scranton**

Two purchase applications were received for the purchase of 419 East Market Street. The first application received was from Jason Burke on September 14, 2017. Mr. Burke owns the adjacent property located at 417 East Market Street, Scranton. He would like to expand his property and create a driveway and in the future, he would like to construct a garage. Mr. Aughe resides and owns a property across the street. His application states that he would like to construct a modular home on the property. Both applicants had been advised to submit sealed bids to be opened on November 8th at the board meeting. The bids were opened. Mr. Burke submitted a bid of \$2000 and Mr. Aughe submitted a bid for \$100. Mr. Burke's bid was accepted and he will now follow the procedure to purchase 419 East Market Street.

b) Land Bank Website

Christopher Chapman presented the start of the Land Bank Website on a projector for the board to view. They staff has put the website out to bid to have it transferred to Word Press. We will have our own internet address and have reserved a couple domain name. Commissioner O'Malley suggested we post the sold properties to show people that the Land Bank is making progress. They will also be a plan to have a link from LackawannaCounty.org to the Land Bank site.

c.) Purchase Agreement Revision:

As of now the buyer is not allowed to ask to have the property reassessed or to combine or consolidate any type of sub-divisions. The board would like to revise this. The Advisory Committee recommends the revision be made contingent on the approval of Attorney Colbassani. The board decided to hold off on making a decision until more research is done and will decide at next meeting.

d.) Taylor Intergovernmental Cooperation Agreement

Mr. Kelly met with Taylor Borough Council. Their concern with joining the Land Bank is that the Land Bank has control of what properties are brought in. Taylor would like the Land Bank to agree to give them control over approving what properties should be brought into the Land Bank. It was decided to present the list of all the different properties to Taylor and they would then have the opportunity to object a property. A motion was made.

ADVISORY COMMITTEE UPDATE:

a) Side Lot Applications

The Land Bank received one application for a parcel at the Corner of Taylor Avenue and Vine Street. The application was received from Don Mammano dba DFM Properties on September 18th, 2017. Mr. Mammano owns the adjacent property located at 1221 Vine Street. The Advisory Committee recommended the application be approved.

b) Property Purchase Applications:

The Land Bank received one application for a parcel on 524 North Rebecca Avenue. The application was received on October 10, 2017 from the Scranton Lackawanna Development Corporation (SLRDC), an arm of the Scranton Lackawanna Human Development Agency (SLHDA). SLRDC would like to rehab the property for affordable housing. SLRDC submitted a bid of \$100.00 for the property. The Advisory Committee recommends the purchase be approved.

The Land Bank received one application of purchase for a property at 205 Prospect Avenue from Janet and Ronald Zieminski in the bid amount of \$200.00. The Advisory Committee recommends the purchase be approved.

c) Additional Properties to be acquired from the Repository of Unsold Properties:

The Advisory Committee recommends the following properties be acquired from the Repository of Unsold Properties: 225 Putnam Street, 912 West Lackawanna Avenue and 906-908 West Lackawanna Avenue.

In regards to 624 Galvin Place, Ralph Pappas went to the property to take pictures and observed a notice for demolition on the property. Mr. Pappas contacted the City to inquire if there was a possibility of taking the notice off the property. He received an email from the city stating the new owners could appeal the demo for a fee of \$300.00. Mr. Pappas is trying to have the fee waived. There are at least two parties interested in the property as a rehab.

The Advisory Committee recommends taking a property at 1215-1217 Pittston Ave. off the list of properties to be acquired.

d) Property Donation Application

The Land Bank is in receipt of an application from Habitat for Humanity. Habitat for Humanity would like to donate the property at 109 Larch Street. The property is a vacant lot. Habitat for Humanity is working with the city to resolve delinquent refuse fees. The Advisory Committee recommends the acceptance of the donation.
