a) Land Bank Website

Mr. Kelly reported an intern from Marywood is working on the website. It is almost completed. She is just doing some fine tuning. It should be up and running very soon.

b) Land Bank Annual Audit

Joe Alu completed the audit in less than a week. The audit was completed for a cost of \$1700.

c) Scranton Advisory Committee Update

Linda Aebli stated The Advisory Committee reviewed 9 properties. The Advisory Committee recommended that the property at 1217-1219 Division Street be sold to Christopher Meyers as part of the side lot program. Mr. Meyers owns and resides in the adjacent property located at 1213 Division Street.

Addition properties acquired from the repository of unsold properties are 11 Throop Street, 202-204 Larch Street, and Dickens Court and Erie Lackawanna RR in Tripps Park.

The Land Bank received an application to purchase the properties at 1421–1423 Vine Street from Gregory Evans, dba Evans Holding Company. Mr. Evans did not state his intention for the property in his application. The Advisory Committee recommended to the Board that staff should contact Mr. Evans and see what he is willing to pay for the property as well as his plans for the property before it is sold to him.

Mr. Evans is also interested in purchasing a property at Parker Street and N. Main Ave. The Advisory Committee again suggested more research be done before a sale is approved.

The Land Bank received 2 applications for the property at 114–116 N. Bromley Avenue. The applications were from Aziz Artabane on 2/24/2017. He would like to put a garage on the property. Mr. Artabane does not reside near the property. A second application has been received from Richard and Charlene Bachman on 6/5/2017. Mr. and Mrs. Bachman reside across the street from the property at 119 N. Bromley Ave. The Advisory Committee recommends it be sold to Mr. and Mrs. Bachman.

Additional Information

Commissioner Patrick O'Malley commended the Board and Advisory committee for the successful work completed on Land Bank. He inquired as to when we will be reaching out to other municipalities to join the Land Bank. George Kelly stated that we have several potential municipalities interested in joining the Land Bank. It was also suggested getting elected officials from each municipality together and give an informative presentation on the Land Bank.

OPPORTUNITY FOR THE PUBLIC TO ADDRESS THE BOARD

Marie Schumacher expressed interest regarding the property at Parker Street and North Main. She stated that she and fellow neighbors have maintained the property for the last six years and is concerned with who will be purchasing the side lot. It was suggested that she contact the Lutheran Church which is a non-profit across the street from the property and ask if they would like to obtain the property. Because they are a non-profit the Land Bank will lease it to them for \$1 a year. Ms. Schumacher stated she would look into the possibility of a non-profit leasing and maintaining the property. She will also speak to Mr. Evans who is related to her.

ADJOURNMENT
