

The Great NEPA Clean-Up Event Registration

What are YOU doing for Earth Week?

Many organizations plan individual clean-ups, plantings, and “green” events during the spring. The NEPA Conservation Alliance would like to help promote and coordinate these events. We are targeting events scheduled for Earth Week, from Saturday, April 17, to Sunday, April 25, 2010.

When you register, we will publicize your event through a comprehensive media campaign, help you find willing volunteers to participate in your event, and arrange for supplies (gloves, bags, water).

The deadline to register an event is Friday, April 2, 2010.
