Assertive Community Treatment (ACT) Teams and Community Treatment Teams (CTT)

SAMHSA-recognized Evidence Based Practice (EBP) delivered to individuals with serious mental illness (SMI) who have a Global Assessment of Functioning (GAF) score of 40 or below and meet at least one other eligibility criteria (psychiatric hospitalizations, co-occurring mental health and substance abuse disorders, being at risk for or having a history of criminal justice involvement, and a risk for or history of homelessness).

Administrator's Office

Activities and services provided by the Administrator's Office of the County MH Program.

Administrative Management

Activities and administrative functions undertaken by staff in order to ensure intake into the county mental health system and the appropriate and timely use of available resources and specialized services to best address the needs of individuals seeking assistance.

Adult Development Training

Community-based programs designed to facilitate the acquisition of prevocational, behavioral activities of daily living, and independent living skills.

Children's Evidence Based Practices

Practices for children and adolescents that by virtue of strong scientific proof are known to produce favorable outcomes. A hallmark of these practices is that there is sufficient evidence that supports their effectiveness.

Children's Psychosocial Rehabilitation Services

Activities designed to assist a child or adolescent (i.e., a person aged birth through 17, or through age 21 if enrolled in a special education service) to develop stability and improve capacity to function in family, school and community settings. Services may be delivered to the child or adolescent in the home, school, community or a residential care setting.
