

Lackawanna County Commissioners Jim Wansacz, Patrick M. O'Malley, and Edward G. Staback, along with the County's Office of Environmental Sustainability, and the Pennsylvania DEP, will provide Lackawanna County residents with an opportunity to recycle used tires at the Lackawanna County Recycling Center, 3400 Boulevard Avenue, Scranton, and collection sites listed below.

To offset the cost of recycling, \$2 per tire will be collected for passenger tires (13' x 18' only). No truck tires will be accepted. Tires must be off the rim, and free from water, mud and debris. Cut tires will be accepted. All drop-off sites are open to all county residents.

This is a residential and non-commercial event.

Please call 570-963-2017 ext 1 or 570-840-3153 with any questions.
