

Make every ride with your child a safe one.

Take time and read your child's car seat directions. Review your vehicle owner manual for best use of latch and seatbelts. Know where the air-bags are.

Keep your child's harness snug. You should not be able to pinch more than an inch at the shoulder. Harness is at or below the shoulders for rear facing. At or above for forward facing. The chest clip must be on the chest.

Car Seat Checkup

Tuesday, May 6th, 2014

12:00 to 2:00 PM

Moscow Elementary

851 Church St. Moscow

Call 570-842-4588 for an appointment.

Visit [www.pakidstravelsafe.org](http://www.pakidstravelsafe.org) or call 1-800-CAR-BELT to get information on car seat fitting stations, check up events or find a certified car seat technician to help check your car seat.
