ELECTRIC CITY TROLLEY STATION & MUSEUM

All Aboard!

Climb aboard an antique trolley for a 10-mile round-trip over Roaring Brook, through a mile long tunnel, to PNC Field on Montage Mountain. Then visit the Electric City Trolley Station & Museum, featuring in-depth historical and interactive exhibits including a special room for children!

Located on the Steamtown National Historic Site, the Electric City Trolley Station & Museum is open year-round from 9:00 AM – 4:00 PM. Trolley excursions run May through October. May through September, enjoy trolley/baseball excursions to Scranton/Wilkes-Barre RailRiders games at PNC Field. In October, bring the children to our Halloween Party and during the holidays, give them a special treat with Santa on the Trolley.

For more information and excursion hours, contact the Museum at (570) 963-6590, or visit us on the web at: www.ectma.org.

Something for Everyone at the Trolley Museum!

A 50-seat theater and other fascinating displays bring to life the history of the extensive network that allowed residents of Northeastern Pennsylvania to travel 75 miles on trolleys.

Kid-friendly, interactive exhibits allow children to engage, have fun and be in the driver's seat as they steer a model trolley on a suspended track, build their own Anthracite community on a 24 foot long platform and see how electricity is harnessed for transportation!

At the Trolley Restoration Shop, visitors get an up-close, under-the-skin view of a restored trolley and watch as rare turn-of-the-century, open-car trolleys and sleek interurbans are restored on site.

Directions:

Directions: From I-81 take, exit 185. At first traffic light turn left on Lackawanna Avenue. Continue on Lackawanna Avenue past the mall and turn left on Cliff Street.
300 Cliff Street, Scranton, PA 18503
