

ADVISORY – DAUPHIN COUNTY – TOMORROW – National Weather Service Recognizes All 67 Pennsylvania Counties as StormReady®

Tomorrow, the National Weather Service will recognize Pennsylvania as only the sixth state to achieve StormReady® status in all counties.

StormReady® uses a grassroots approach to help communities develop plans to handle all types of extreme weather, from tornadoes to winter storms. The program encourages communities to take a new, proactive approach to improving local hazardous weather operations by providing emergency managers with clear-cut guidelines on how to improve their hazardous weather operations.

The event will be streamed live at <http://pacast.com/live/pema> and on Facebook at <https://www.facebook.com/BeReadyPA/>.
