Show Appreciation For The Care And Dedication Of Healthcare Workers

To show appreciation for their community's dedicated healthcare workers, the Penn State Extension Master Gardeners of Lackawanna County are changing their annual Mother's Day plant sale in response to the COVID-19 pandemic. With every donation of \$20 received, the Master Gardeners will give a flowering hanging basket to the caring workers of St. Mary's Villa in Elmhurst, Pennsylvania.

These hanging baskets were grown by Seesholtz Garden Center and will be delivered to St. Mary's Villa for Mother's Day weekend. Each basket will include plant care information and a message of gratitude from the Master Gardeners. Proceeds from the basket donations will benefit Penn State Extension Master Gardeners of Lackawanna County.

To donate a basket, visit <https://raise.psu.edu/LackawannaMG>. In the comment section of the form, please write "hanging basket."
