This message includes updates on the [COVID-19](#) response from CDC. The COVID-19 Outbreak is a rapidly evolving situation and information will be updated on the [COVID-19 Situation Summary](#) as it becomes available.

## How COVID-19 Can Spread in a Community – [Video](#)

This [video](#) explains how COVID-19 can spread in a community using an example featured in an April 2020 CDC MMWR. Investigation of COVID-19 cases in Chicago identified a cluster of 16 confirmed or probably cases, including three deaths, likely resulting from one introduction. Extended family gatherings, including a funeral and birthday party, likely facilitated transmission of SARS-CoV-2 in this cluster.
