

Applying COVID-19 Infection Prevention and Control Strategies in Nursing Homes

You may participate in this COCA Call via Zoom

Overview

During this COCA call, presenters will use case-based scenarios to discuss how to apply infection prevention and control guidance for nursing homes and other long-term care facilities that are preparing for and responding to COVID-19.

If you are unable to attend the live COCA Call, the recording will be available for viewing on the [COCA Call webpage](#) a few hours after the live event ends.

The slide set will be available under "Call Materials" on the [COCA Call webpage](#).

Continuing Education will not be offered for this COCA Call.

Advanced registration is not required.
