Wolf Administration: Business Loan Deferrals Extended for Three Months

Harrisburg, PA – Today, Department of Community and Economic Development (DCED) Secretary Dennis Davin announced that the Pennsylvania Industrial Development Authority (PIDA), Pennsylvania Minority Business Development Authority (PMBDA), and Commonwealth Financing Authority (CFA) are extending business loan deferrals by three additional calendar months.

“As we work on safely reopening Pennsylvania and as businesses continue to slowly return to normal, it is imperative that we help the businesses that were adversely affected by COVID-19,” said Sec. Davin. “These extended loan deferrals will provide much-needed temporary relief and will ultimately help Pennsylvania’s businesses bounce back from the economic implications of the pandemic.”
