**ADVISORY – HARRISBURG – MONDAY – Gov Wolf Urges Legislature  
to Support PA Families, Pass Paid Sick Leave**

Governor Tom Wolf will call on the General Assembly to support Pennsylvania families by passing legislation providing paid sick leave for Pennsylvania workers. Pennsylvanians shouldn't have to choose between their job and their health, especially during a pandemic. Paid sick leave for workers will help Pennsylvanians protect themselves, their families and their communities. The governor will also announce a new paid family leave policy for Commonwealth employees under his jurisdiction.
