Do you have an estimate as to how many sites you will need staffing for? [We have multiple Provider \(clinics\) sites throughout the county and one main site that is at our outdoor concert amphitheater.](#)

Will it only be 5 days a week, Monday through Friday, 10 hours a day? Do you have particular times for the 10 hour shifts? [We will be having multiple Provider Clinic sites operating throughout each week, including multiple daily. The hours vary, but most go 8 to 10 hrs. These hours would include arriving before a clinic opened and staying until the last shot is given.](#)

Do you need vaccine administrators? [We currently have nursing college volunteers, but expect that to run out in May. So yes we will need them.](#)

Is there an anticipated date that you would like to start? 04/28 [We have a Provider clinic scheduled for 3500 shots.](#)
