County

How to Collapse Vendor Hut

1. Side doors are unscrewed on side to allow side doors to fold inside the structure. (Photo 2)
2. There is a latch on the roof above each side door. Turn to unlatch the roof allowing for side doors to swing inside. (Photo 3)
3. The side doors will come together to swing inside. (Photo 4)
4. Back frames collapses down into structure. (Photo 5)
5. Wooden back folds up. (Photo 6)
6. Pin keeps back in place after it collapses. (Photo 7)
