## State 4-H Fashion & Textile Revue

Twenty-three 4-H members from across Pennsylvania recently took part in the annual 4-H State Fashion and Textile Revue near State College, entitled "Be Different Together."

The Revue is the closing event for 4-H members ages 13-18 who completed a clothing or textile project, recognizing excellence in sewing and fiber arts.

The Pennsylvania 4-H'ers attending the one-day event participated in a modeling workshop, embroidery project, and a fashion show for family and friends. Participants' projects were judged as either a garment (fashion revue) or a non-wearable fiber arts project (textile revue). The fashion participants were judged on construction, appearance, fit, design, and fashion.

The four Lackawanna County 4-H members who participated in the State 4-H Fashion Revue were: Faith Hosie (Jessup), Julia Mazur (Olyphant), Maria Parola (Moscow), and Ella Wilson (Clarks Summit).
