

## Press Release

Juliann Doyle – Outdoor Town Committee

### **Forest City Chosen to Participate in Outdoor Town Initiative - Gathering Set to Hear from the Public**

Forest City has been chosen from other towns across the Commonwealth by the Pa Department of Conservation and Natural Resources to be one of the first towns to receive a start up grant to highlight the recreation of our area, ie: trails, hiking, biking, fishing, hunting, snowmobiling, shopping, eating, etc. The committee, made up of the Greater Forest City Business Alliance (GFCBA), has been working since February to gather information into an Action Plan for revitalization of the downtown Forest City and the area around Forest City.

Members of the greater Forest City area community are invited on Thursday, September 9, 2021, to gather at the FCA Historical Society (Forest City Area), 633 Main Street beginning at 6PM to help shape the future of the Forest City area. The interactive community gathering will ask the public to help prioritize ideas to form an action plan for revitalization of the greater Forest City area. The historical society is handicapped accessible, and air conditioned for your convenience.

For more information please email: [gfcba13@gmail.com](mailto:gfcba13@gmail.com) or call Juliann at 570-499-4908. Please make plans to attend and help write the next chapter to more Forest City forward into the future!
