

# Lackawanna County

## **Responses to Questions on Bid for Lackawanna County Winter Market Tents**

Please ensure when submitting bid that on the envelope it clearly state what you are bidding with the name of your company.

### **How far will tents be spaced for safety issues with multi cords. Will cable ramps be required.**

Tents will not be next to each other but spaced out at least six feet. The cords will be behind the tents but vendor should be prepared to potentially need cable ramping

### **Are concrete ballasts required?**

Yes as stated in the proposal for safety they will be required. P

### **Is prevailing wage required?**

No. Lackawanna County is not required to follow prevailing wage requirements.

### **Is electrical capabilities required in the tent?**

We realize there are power concerns with this so we are currently looking at other options for vendors to heat tents.

### **The 20' x 40' tent is the only one that required heating?**

Yes.
