HISTORY:

Incorporated in 1895 from North Abington Township and named in honor of Dr. Edward Dalton, a Civil War surgeon and superintendent of the New York City Board of Health.

The borough was originally known as Bailey Hollow from the predominance of families of that name who were pioneers in the area.

Agriculture and lumbering were the only industries in the borough until the building of the Leggetts Gap, a division of the Lackawanna Railroad, in 1850.
