HISTORY:

Incorporated as a borough in 1877 from North and South Abington townships and named by George Humphrey of New York, its founder, who built a mill dam and flouring mill.

The village was originally known as Humphreyville, but at the time of incorporation Mr. Humphrey created a new name by using novelist Sir Walter Scott's term for narrow valley, "glen," and the Scottish word for brook, "burn."

Glenburn Borough gave up its charter and became a township in 1933.
