HISTORY:

Incorporated in 1899 from Old Forge Township (now extinct) and named after an abandoned iron ore forge, deserted because of the mediocre quality of the iron ore. Dr. William Hooker Smith settled in this area in 1789 to practice medicine. Dr. Smith, along with James Sutton, built the "old forge."

Today, Old Forge is most famous for the pizza shops that line its Main Street, and it has recently been designated as the "Pizza Capital of the World."
