

Bike Safety 101. Just in time for summer.

Bring your family — and their bikes — to a bike safety event hosted by Geisinger, Lackawanna County Commissioners and the Anthracite Bicycle Coalition. Your bike will get a safety check and you'll get tips on:

- Proper helmet fitting
- Reflective clothing
- How to treat injuries — taught by the Geisinger trauma and neurosurgery teams

Enjoy free food. We'll also give away 150 bike helmets for kids, and everyone will get a chance to ride in our bike rodeo. Safely.

Geisinger
